

Centrix™ Stubbed 4U Housing

24 port SC APC cassettes, SM, FREEDM® LT indoor/outdoor gel-free cable, 16 m stub

CORNING

A Centrix™ Platform 4U housing holds 12 cassettes. Housings can be ordered as stubbed assemblies to reduce installation time and risk. At the foundation of the Centrix platform is a single, modular cassette. The modular cassette provides flexibility and functionality within a single frame without sacrificing density. Each cassette contains up to either 24 SC or 36 LC connector adapters. Easy port access is possible due to a sliding cassette with drop-down handle.

Part Number: CX4U816246C-UF001B
